

The Brian P. Mattson Restorative Justice Center

Substance Abuse Impact Panel

The Brian P. Mattson Restorative Justice Center is now offering a Substance Abuse Impact Panel. This program is designed to inform youth of the harm that alcohol and substance use causes the individual, their families and the community.

The youth will be informed of the dangers and consequences of drug and alcohol use through the stories of people whose lives have been personally affected by drugs or alcohol, police officers or professionals working within the field of substance abuse treatment and education.

- The panel takes place once a month
- The panel will be held at the Muskegon County Training Center/Human Resources Building, 133 E. Apple Avenue, Room 203.
- The panel begins at 3:00 pm and lasts approximately two hours.
- Participants are required to pay a program fee.
- We are always seeking presenters for these panels. Please contact the center directly if you or someone you know would be interested in presenting.

If you have any questions or would like to refer anyone to the panel, please call 231-727-3318.
